- Recommendation- twice a month.

Facial Salon Services

Manicure & Pedicure Salon Services

1. Your hands and feet require care and pampering. It is essential to protect your hands and feet from becoming flaky and dry; hence, manicure (for hands) and pedicure (for feet) is necessary to remove dead skin, tanning, and dirt while massaging and nourishing your hands and feet.
2. Lastly, cut, file, and polish your nails. BeautyKlove offers a wide range of manicure & pedicure
